

Curriculum Vitae for Dr. Louis J. Wicker

Updated 07/13/04

Present Position

Research Scientist specializing in severe storm dynamics and computational physics at the National Severe Storms Laboratory in Norman, Oklahoma, June 1999 to present

Professional Positions

- Associate Adjunct Professor, Department of Meteorology, Texas A&M University, June 1999 to present
- CIMMS Fellow, Cooperative Institute for Mesoscale Meteorological Studies, University of Oklahoma, May 1999 to present
- Adjunct Associate Professor, School of Meteorology, University of Oklahoma, Spring 2000 to present.
- Associate Professor, Texas A&M Meteorology Department, August 1998 through May 1999
- Assistant Professor, Texas A&M Meteorology Department, August 1992 through July 1998
- Visiting Associate Research Scientist, National Center for Supercomputer Applications and the Department of Atmospheric Sciences, University of Illinois at Urbana-Champaign. August 1990 through August 1992.

Education

- Ph.D. in Atmospheric Sciences
University of Illinois, August 1990
"A Numerical Study of a Tornado-Scale Vortex in a Three-Dimensional Cloud Model"
- M.S. in Meteorology
University of Oklahoma, June 1986
"A Simulation Study of a Data Assimilation Scheme Designed for VAS Temperature Soundings"
- B.S. in Meteorology
University of Oklahoma, December 1983

Formal Publications

- Fierro, A. O., M. S. Gilmore, L. J. Wicker, E. R. Mansell, and J. M. Straka, 2004: Electrification and lightning in an idealized boundary-crossing supercell simulation of 2 June 1995. *Mon. Wea. Rev.*, [submitted 9 July 2004]
